## Aim:

## Yellow Card-Apply Traffic Control Plans

*Training Course*

This course is for any person who may be required to set up and work with a Traffic Control Plan (TCP), issued by supervisors or line managers.

It allows the participant to:

- Identify safety implications of traffic control at road works and personal responsibilities
- Set up and Close down traffic control devices according to a nominated TCP, to OHS and legislative requirements
- Operate a 2-way radio correctly and effectively
- Check, clean and store equipment on completion of work and close down a TCP

Please note that this course does not qualify a participant to control traffic with a Stop/Slow bat, or to select or modify existing traffic control plans.

## Prerequisites:

- A NSW Work Cover Construction Induction Certificate or equivalent (OHS White Card)

## Upon Completion:

Upon successful completion of the course, participants receive a Certificate of Completion from Men At Work Training. A Traffic Control Photo Card (Yellow) will be issued by the RTA within a few weeks of completing the course.

## Location:

At our Men At Work Training Centre.

## Cost:

\$210.00

## Duration:

1 Day (8.00am -4.30pm)

## Booking:

We have limited seats per course so booking is essential! To secure a seat, we require a deposit.

The full fee must be paid prior to attendance.

Cancellation fees apply.

*PLEASE NOTE: Before booking, refer to the Course Terms & Conditions*
