Enter Confined Space Training

This course is intended for people who perform work in confined spaces, fulfil the role of a standby person during a confined space entry or who need to identify confined spaces and the associated risks at their workplace.

Organisations that source training from Sparta Solutions have peace of mind their employees are learning from training and assessment facilitators with extensive operational experience.

Course Overview:

Legislation related to Confined space entry, Risk management, Fire awareness, Atmospheric testing using gas detection equipment, Resuscitation, Rescue scenarios. Participants receive hands on practical use with safety equipment & demonstrations and advise on the correct work positioning techniques related to their workplace.

Duration: Two Days **Maximum Number Participants:** 10

Participants who successfully complete the training are awarded a Statement of attainment in:

MSAPMPER200B WORK IN ACCORDANCE WITH A PERMIT

MSAPMPER205B ENTER CONFINED SPACE

MSAPMPER300B ISSUE WORK PERMITS
